# CAPABILITIES STATEMENT

COMMERCIAL KITCHEN & STAINLESS STEEL INSTALLATION

## ABOUT BSS

Benitez Stainless Steel Corp (BSS) is a California-based, fully licensed contractor specializing in **commercial food service equipment installation**. For 15 years we have helped restaurants, general contractors and equipment dealers get their kitchens installed right: precise, clean and on schedule.

## CORE CAPABILITIES

01
### Commercial Kitchen Equipment
Ovens, fryers, kettles, refrigeration and prep equipment set in place.

02
### Stainless Steel Wall Flashing
Clean, precise wall panels and trim for commercial kitchens.

03
### Tables & Work Surfaces
Stainless steel tables, countertops and shelving.

04
### Rational Combi Ovens
Factory-certified installation and start-up.

05
### New Builds & Remodels
Complete kitchens and equipment replacements.

06
### Subcontract Partner
Dependable crews for GCs, dealers and owners.
